FARO Invites You to Join Its Fourth Quarter and Fiscal 2016 Earnings Conference Call

February 16, 2017

LAKE MARY, Fla., Feb. 16, 2017 /PRNewswire/ -- FARO® (NASDAQ: FARO), the world's most trusted source for 3D measurement and imaging solutions for factory metrology, product design, public safety forensics, construction BIM/CIM and 3D solutions and services applications, announced today that after the market closes on Wednesday, February 22, 2017 it will release its financial results for the fourth quarter and fiscal 2016. In conjunction with the release, Dr. Simon Raab, President and CEO, and Bob Seidel, Chief Financial Officer, will host a conference call and simultaneous live audio webcast on Thursday, February 23, 2017 at 8:30 a.m. Eastern Time.

Persons wishing to access the conference call may do so by dialing +1-877-876-9177 (U.S.) and +1-785-424-1666 (International), and using the passcode **FARO** or by logging on at www.faro.com/Q42016EarningsCall. Alternatively, you may also access the call via FARO's website, www.faro.com, clicking on Investor Relations, Conference Calls, and the relevant date.

Replays of the conference call will be available beginning February 23, 2017 through April 23, 2017 by calling +1-800-839-3740 (U.S.) or +1-402-220-7239 (international). No code is required. If you are unable to participate during the live webcast, the call will be archived on www.faro.com.

About FARO

FARO develops and markets computer-aided measurement and imaging devices and software. Technology from FARO permits high-precision 3D measurement, imaging and comparison of parts and complex structures within production and quality assurance processes. The devices are used for inspecting components and assemblies, rapid prototyping, documenting large volume spaces or structures in 3D, surveying and construction, as well as for investigation and reconstruction of accident sites or crime scenes.

FARO's global headquarters are located in Lake Mary, Florida. The Company also has a technology center and manufacturing facility consisting of approximately 90,400 square feet located in Exton, Pennsylvania containing research and development, manufacturing and service operations of its FARO Laser Tracker™ and FARO Cobalt Array Imager product lines. The Company's European regional headquarters is located in Stuttgart, Germany and its Asia Pacific regional headquarters is located in Singapore. FARO has other offices in the United States, Canada, Mexico, Brazil, Germany, the United Kingdom, France, Spain, Italy, Poland, Turkey, the Netherlands, Switzerland, India, China, Malaysia, Thailand, South Korea, Australia and Japan.
