FARO to Present at Baird 2017 Global Industrial Conference

November 6, 2017

LAKE MARY, Fla., Nov. 6, 2017 /PRNewswire/ -- FARO® (NASDAQ: FARO), the world's most trusted source for 3D measurement and imaging solutions for factory metrology, construction-BIM-CIM, product design, public safety forensics and 3D machine vision, announced today that Chief Financial Officer, Bob Seidel, will present at the Baird 2017 Global Industrial Conference on Thursday, November 9, 2017, at 12:00pm CST at the Four Seasons Hotel in Chicago.

The audio will be simultaneously web cast www.faro.com/bairdconference.

FARO recommends registering at least 15 minutes prior to the start of the presentation to ensure timely access.

About FARO

FARO develops and markets computer-aided measurement and imaging devices and software. Technology from FARO permits high-precision 3D measurement, imaging and comparison of parts and complex structures within production and quality assurance processes. The devices are used for inspecting components and assemblies, rapid prototyping, documenting large volume spaces or structures in 3D, surveying and construction, as well as for investigation and reconstruction of accident sites or crime scenes.

FARO's global headquarters is located in Lake Mary, Florida. The Company also has a technology center and manufacturing facility consisting of approximately 90,400 square feet located in Exton, Pennsylvania containing research and development, manufacturing and service operations of its FARO Laser Tracker™ and FARO Cobalt Array Imager product lines. The Company's European regional headquarters is located in Stuttgart, Germany and its Asia Pacific regional headquarters is located in Singapore. FARO has other offices in the United States, Canada, Mexico, Brazil, Germany, the United Kingdom, France, Spain, Italy, Poland, Turkey, the Netherlands, Switzerland, India, China, Malaysia, Thailand, South Korea, Australia and Japan.
