

WomenInc. Names Lynn Brubaker Among 2019 Most Influential Corporate Directors

January 13, 2020

LAKE MARY, Fla., Jan. 13, 2020 /PRNewswire/ -- FARO® (NASDAQ: FARO), the world's most trusted source for 3D measurement and imaging solutions for 3D manufacturing, construction BIM, 3D design, public safety forensics, and photonics applications, today announced that *WomenInc.*, a leading multimedia platform dedicated to driving positive dialogue on and about women, has named Lynn Brubaker, a member of FARO's board of directors, to its list of 2019 Most Influential Corporate Directors.

"Today, we congratulate Lynn Brubaker for this well-deserved acknowledgement of her leadership and her many valued contributions over her tenure as a member of the Board of Directors at FARO, including as the Chair of FARO's Governance and Nominating Committee," stated John Donofrio, FARO's Chairman of the Board of Directors. "At FARO, we are fully committed to inclusion and diversity and that commitment extends to our Board of Directors."

"We're extremely proud of the caliber of our Board of Directors," stated Michael Burger, President and Chief Executive Officer of FARO. "We are a company driven by a diverse and inclusive team of dedicated people. Our longstanding commitment to gender equity extends throughout the business."

Ms. Brubaker has served as a director of the Company since July 2009. She is a seasoned executive with over 35 years of experience in aviation and aerospace in a variety of executive, operations, sales, marketing, customer support and independent consultant roles. She has over 15 years of board experience and over ten years of experience advising high technology, international, multi-industry and global companies. Since 2005, Ms. Brubaker has had an advisory practice focused on strategy and business development. She is currently a director of Hexcel Corporation, a New York Stock Exchange-listed company in leading advanced materials and technology, and QinetiQ Group plc, a London Stock Exchange-listed leading research and technology company. Ms. Brubaker spent 10 years at Honeywell International, Inc., retiring as Vice President and General Manager—Commercial Aerospace for Honeywell International, a position she held from 1999 to 2005. Prior to Honeywell International, Ms. Brubaker held a variety of management positions with McDonnell Douglas Corporation, Northwest Airlines Corporation, and ComAir Limited. Ms. Brubaker currently serves on the board of a variety of private companies and other business organizations.
