FARO management will also subsequently present at the Noble Financial Small Cap Conference in Hollywood, Florida, on Thursday, November 10, 2005, at 9:15 a.m. ET. You can view the web cast by going to <http://www.visualwebcaster.com/NobleFinancialSmallCap> .

An archived version of the web casts will be available for 90 days following the conclusion of the live presentations.

About FARO

FARO Technologies, Inc. (Nasdaq: FARO) and its international subsidiaries design, develop, and market software and portable, computerized measurement devices. The Company's products allow manufacturers to perform three- dimensional inspections of parts and assemblies on the shop floor. This helps eliminate manufacturing errors, and thereby increases productivity and profitability for a variety of industries in FARO's worldwide customer base. Principal products include the FARO Gage(TM), Platinum and Titanium FaroArms(R), Control Station(R) measurement system, the Laser Tracker(R) and a CAM2(R) family of advanced CAD-based measurement and reporting software. FARO Technologies is ISO 9001 certified and Guide 25 approved. Learn more at <http://www.faro.com> .
