(Logo: <http://www.newscom.com/cgi-bin/prnh/20000522/FLM035LOGO>)

An archived version of the web cast will be available for 90 days following the conclusion of the live presentation.

FARO management will also subsequently present at the Noble Financial Small Cap Conference in Hollywood, Florida, on Thursday, November 10, 2005, at 9:15 a.m. ET. Web cast details will follow in a press release prior to the Noble conference.

About FARO

FARO Technologies, Inc. (Nasdaq: FARO) and its international subsidiaries design, develop, and market software and portable, computerized measurement devices. The Company's products allow manufacturers to perform three- dimensional inspections of parts and assemblies on the shop floor. This helps eliminate manufacturing errors, and thereby increases productivity and profitability for a variety of industries in FARO's worldwide customer base. Principal products include the FARO Gage(TM), Platinum and Titanium FaroArms®, Control Station® measurement system, the Laser Tracker® and a CAM2® family of advanced CAD-based measurement and reporting software. FARO Technologies is ISO 9001 certified and Guide 25 approved. Learn more at <http://www.faro.com> .
