March 14, 2008

LAKE MARY, Fla., March 14 /PRNewswire-FirstCall/ -- FARO Technologies, Inc. (Nasdaq: FARO) the world leader in portable computer-aided measurement hardware and software, announced today that its 2008 Annual Meeting of Shareholders will be held on Tuesday, May 13, 2008 at 10:00 a.m. EDT. The meeting will take place at its global headquarters at 125 Technology Park, Lake Mary, Florida.

About FARO

With approximately 16,000 installations and 7,400 customers globally, FARO Technologies, Inc. designs, develops, and markets portable, computerized measurement devices and software used to create digital models -- or to perform evaluations against an existing model -- for anything requiring highly detailed 3-D measurements, including part and assembly inspection, factory planning and asset documentation, as well as specialized applications ranging from surveying, recreating accident sites and crime scenes to digitally preserving historical sites.

FARO's technology increases productivity by dramatically reducing the amount of on-site measuring time, and the various industry-specific software packages enable users to process and present their results quickly and more effectively.

Principal products include the world's best-selling portable measurement arm -- the FaroArm; the world's best-selling laser tracker -- the FARO Laser Tracker X and Xi; the FARO Laser ScanArm; FARO Photon Laser Scanners; the FARO Gage, Gage-PLUS and PowerGAGE; and the CAM2 Q family of advanced CAD-based measurement and reporting software. FARO Technologies is ISO-9001 certified and ISO-17025 laboratory registered.
